ÉDUCATION

It is a cold, rainy Saturday morning.

“We should stay inside today,” says Bobby’s father. “Even Catch does not want to go out.”

“But what will we do?” asks Bobby’s mother.

Bobby's sister Nora is bored.

"I am tired of this old truck," she says.

**Bobby's imagination to the rescue!**

"It is not a truck," he says. "It is a spaceship!"

Bobby's brother Liam is bored.

"These blocks are no fun," he says.

**Bobby's imagination to the rescue!**

"They are not blocks," he says.

"They are an ancient pyramid!"
